### Funding Type\*

Select the type of funding being requested

- Onetime: Grant funds are distributed outright (i.e. no fund raising conditions) for the specific project or budgetary items delineated in the grant request. Onetime also includes cases where this grant is being used toward matching another donor's challenge (i.e. back end of match).
- Matching: In order to receive the grant funds, the grantee must raise new grant funds (e.g. new donors or increased support) from private or public sources in order to match this "challenge" (i.e. front end of match). Matching grants are offered at a 1:1 or 2:1 funding ratio and typically must be achieved within a six-twelve (6-12) month time period (unless specifically noted).
- Installment: Grant funds are requested in multiple disbursements over time (e.g. yearly). These funding requests are only considered in rare circumstances.
